HVC Capacitor Manufacturing Co.,Ltd.

high voltage resistor

# High voltage capacitor

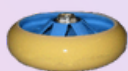

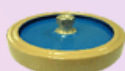

High voltage ceramic capacitors, ceramic disc capacitors manufacturer, HVC is an emerging manufacturer of high voltage ceramic capacitor and doorknob capacitors in China, present by group company Circuit Ocean International co.,Ltd.

Ultra High Voltage Components Expert

## High Voltage Ceramic Capacitor Manufacturer

HVC Capacitor is professional high voltage ceramic disc capacitor manufacturer, Our available spec from 1kv to 50kvDC, well replacing famous brand Vishay, Murata, TDK, Panasonic item. • Low losses • High stability • High capacitance in small
